nutrient enhanced water beverage

lemonade (a-zinc)

when life gives you lemons, make lemonade.  
when life gives you open blinds when you're  
just wearing tighty-whities, your boss eating  
a lunch that curiously looks like your missing  
sandwich, and a stalker who won't stop  
texting you, make lemonade packed with  
nutrients from vitamin a to zinc so you can  
handle it all with ease... or hey, you could  
just drink the bottle in your hand.
