squeezed (8 key nutrients from a - zinc)
 lemonade flavored + other natural flavors

c'mon, is that a purse... or a suitcase? let's see what you're squeezing in there. looky here, a gift card (with 89¢ left), three different hand creams (melon, cucumber, cucumber-melon), lip balm, lip stick, and lip gloss - oh what's this? ahhh the ol' giant wad of receipts. (plan to return that shirt you're wearing?) well, your bags have inspired us. we squeezed as much good stuff as we could into this bottle - it's got 8 key nutrients from vitamin a to zinc. and since it's naturally sweetened & zero calories, feel free to squeeze a couple of bottles into your purse... or "man-bag" (we're not judging).
