nutrient enhanced water beverage

essential

orange-orange (c+ calcium)

this product is like a morning person. it is not, however, an annoying morning person (like our boss mike). it won't talk about how much it looooooves mornings or say things like, "rise and shine sarrah cinnamon!" or "looks like someone has a case of the mondays!" it will, however, quietly give you all the vitamin c of o.j., but with half the calories and carbs. so you can forget the morning ever happened. case (of the mondays) closed.
