

GRADE 6, TEAM 3
2010-2011

Welcome to the Robert Adams Middle School! We hope you are having a wonderful summer. Enjoy the remainder of your vacation. Students, we look forward to seeing you the first day of school.

Below is a list of items your child will need for the school year.

- **ELA/Social Studies:** one 2 inch 3 ring binder with at least 10 sectional dividers
- **Math/Science:** one 2-3 inch 3 ring binder with at least 10 sectional dividers. Your teacher will help you divide the sections.
- **Traditional French and Spanish Students:** one three ring binder, at a minimum two inches wide. There should be five subject dividers for the binder and your teacher will help you divide the 3 ring binder into 5 topics for classroom use and study sections. Purchase a folder with two sides in which you can keep homework papers. One side for new assignments and one side for reviewed assignments. We suggest that you invest in a pocket dictionary for use at home to complete written assignments. Class dictionaries are available for in school use.
- **French Immersion Students:** Please purchase all of the above supplies and in addition, a single spiral notebook for grammar exercises, a highlighter and a small self contained pencil sharpener for colored pencils
- No. 2 Pencils with latex free erasers
