

The traffic pattern changes at the High School are as follows:

- Drop-off 1 – west on Hollis Street from downtown, enter the school parking lot via the first available entrance, following the horseshoe pattern to drop students off by the cafeteria entrance or the music wing entrance to the building.
- Drop-off 2 – east on Prentice or north on Highland Streets, enter the school grounds via the gated entrance adjacent to the Superintendent's Office, follow the drive parallel to the science wing to drop students off prior to the main High School entrance and exit left onto most western Hollis Street exit.
- Drop-off 3 – south on Highland Street, take left onto Hollis Street, entering school grounds via the main High School entrance, dropping students off in front of the school and departing the grounds via the one-way exit adjacent to the main parking lot.
