Thank a Teacher

The Perfect Gift!

As the school year draws to a close, may we suggest the perfect gift! It is an honor to receive, guaranteed to fit and going to appreciate with time.

With a contribution to the **HOLLISTON EDUCATION FOUNDATION** in a teacher's name, you will honor the teacher for his or her wonderful work, and at the same time, support the Foundation. Name the specific teacher(s) that you would like to recognize, mail your contribution to HEF and the teacher will receive a lovely Thank You note acknowledging your gift in his or her name.

Your contributions have helped fund events such as this year's *Spotlight on Excellence Award* to recognize these outstanding educators:

Ann Prete, Sam Placentino and Miller Elementary Schools

Brenda Maurao, Fred Miller Elementary Schools

Ken Craft, Adams Middle School

Rita Budwey, Adams Middle School

Stu Britton, Holliston High School

Mary Flatley, Holliston High School

In addition HEF also funds the new **Grants for Intensive Study** for teachers, a **Mock Admission Workshop** at the High School and two **\$2,000 scholarships** for graduating seniors.

Give the gift that keeps on giving!
